

encinitas

yesterday...today...tomorrow

The City of Encinitas is updating its general plan, a key document that embodies our city's future growth and development policy.

Workshops have been scheduled to receive public input and develop a vision for each of Encinitas' five communities.

More information is available at:

All community specific workshops are from 6:00 pm – 8:00 pm

CITY-WIDE GOAL SETTING WORKSHOP

Saturday, May 1, 2010 at 9:00 am – 1:00 pm;
Community and Senior Center, 1140 Oakcrest Park Drive

You are also invited to attend a City-Wide Goal Setting Workshop to help generate a shared vision and better prepare Encinitas for the future.

Educational Lecture Series: First Monday of every month (6:30 pm – 8:00 pm; Encinitas Library)

These sessions will provide a broad range of educational material and highlight topics such as healthy communities, transportation, and sustainability. Mark your calendar on the first Monday of every month, from March 1 to August 2, 2010, and attend these informational presentations.

Community members are encouraged to attend these events and be active participants.

Disability Accommodations: Please notify the Planning & Building Department 760-633-2710 at least 48 hours prior to the workshop if disability accommodations are needed.
